Dear Business Leader:

Kaohsiung (高雄市) is the second largest city in Taiwan with a population of 1.5 million people and the eighth largest container port in the world. The city will host the 2009 World Games in July. In addition to the dramatic scenery and cultural heritage of Southern Taiwan, the area surrounding the city has established bases in the ship building, petroleum refining, and steel making industries. The region also boasts prominent universities, making it a hub for technical, medical and cultural expertise.

Our city is initiating a business development plan to further expand software, bio-tech, energy, tourism and other industries. I will lead a delegation of business and government leaders to visit Orange County on February 20 and 21, 2009 to promote the Kaohsiung advantage.

I am inviting you to the Kaohsiung Business Development Forum (台灣高雄市招商說明會) in the afternoon 2:00~4:00 of Saturday, February 21, 2009 at the Atrium Hotel at Orange County Airport, Irvine. Our representatives will discuss with you the environment and the advantages of investment in Kaohsiung.

Please contact the Planning Committee at jimmyu@cox.net (Jim Yu) or call (949) 916-1200 to pre-register or to obtain further information about the Kaohsiung Business Development Forum.

We are looking forward to meeting you on February 21.

Sincerely yours,

Chen Chu (陳菊), Mayor
Kaohsiung City, Taiwan
